

THE AFTER SCHOOL KLUB

TASK FAIR PLAY POLICY

This is an agreement between TASK and your family. It is to ensure that all children and families understand the boundaries in place to keep themselves and everyone else safe.

While at TASK, everyone agrees to:

- Always be respectful of other children, staff and visitors to our service.
- Look after the space we are in and the equipment we use – including returning any equipment to where it belongs and helping to pack up together.
- Listen and co-operate with the directions of all TASK team members.
- Carry out activities in a way which is safe, inclusive and calm.
- Always stay within the space allocated for TASK activities and within view of TASK educators.
- Be kind, gentle and calm towards everyone at TASK.
- Talk to TASK educators if something is worrying you or your child.
- Use appropriate language and actions while at TASK.
- Have no intentionally harsh physical contact towards anyone at TASK.
- Always encourage others to engage in safe behaviour.
- TASK has zero tolerance for violence and aggression towards other children and staff.

Remember, school rules are TASK rules, so if it's NOT ok at school, it's NOT ok at TASK.

Please be aware that if children are creating an unsafe situation for themselves or others, TASK may call parents for early collection. If behaviours continue to be a concern, TASK will reach out to families to determine if support is required. Sometimes a break from TASK can help re-set children and this will be discussed with families in conjunction with other management strategies to assist.

Your name _____
