## BEFORE & AFTER SCHOOL CARE OOSH / OSHC ROLES ONSITE TEAM MEMBERS

### Come and play with the best in the business.

At TASK, we think we do Out of School Hours Care (OSHC) better than the others, because we have the best people doing it. And we're looking for more of you!

Our diverse team ranges in age from 18 to 60+ and come from a wonderful mix of social and cultural backgrounds and life experiences. To excel at TASK, all you really need is to be energetic, engaged, responsible and have something to offer school aged children in the few hours before and after school. (You will need a valid Working with Children Check, but we can help you get that if you don't have one.)

Shifts are a couple of hours in the morning and/or a few in the afternoon – the rest of the day is yours to do the other important stuff in your life!

Our team members love working at TASK – and for many good reasons:

- *Fantastic, flexible, permanent part time opportunities. Incl. paid sick leave and annual leave!*
- *Sector leading, above award wages.*
- *A fun “family” of people to work with every day.*
- *An inclusive community culture where your contributions are valued, recognised & rewarded.*
- *A unique OSHC model allowing service teams to focus entirely on building quality relationships with and delivering excellent programs to kids. (We take care of all the admin stuff at HQ)*

If that sounds like fun to you, email your CV to [jobs@task-kids.com.au](mailto:jobs@task-kids.com.au) or if you're not quite CV ready, give Chad a call on **1300 827 500**.

Ultimately, what you can do is way more important to us than what you've done previously.
